Chapter 305: The Infinite Creations of The Absolute One

As The Absolute One, Sung Jin-Woo embraced his roles as The God of Creation and Abundance and The God of Life, shaping new realms and creations to fill the multiverse with wonders. With his unparalleled power, he expanded existence itself, breathing life into the void and weaving beauty into the fabric of reality.

New Realms Created by Sung Jin-Woo

1. Elysium Nexus

A realm of eternal harmony, where every being thrives in peace and prosperity.

Features:

Endless meadows of golden grass and crystal-clear rivers.

A sky that shifts between warm hues of sunrise and twilight.

The Tree of Abundance, which bears fruits granting immortality.

2. Oblivion Sanctuary

A realm of rest and renewal for weary souls.

Features:

Dreamlike landscapes with floating islands and gentle waterfalls.

Time flows slower, allowing visitors to recover and reflect.

The Hall of Memories, where souls can revisit their past lives.

3. Eternal Forge

A realm dedicated to crafting divine artifacts.

Features:

Volcanoes spewing liquid adamantine and rivers of molten silver.

The Anvil of Origin, where Sung Jin-Woo forges tools of unimaginable power.

Shadowkin, Dragonkin, and High Dwarves work in harmony, creating weapons, armors, and constructs.

4. Arcane Expanse

A realm of boundless magical energy.

Features:

Floating libraries and temples dedicated to arcane studies.

Mana Wells, which radiate pure magical energy for scholars and mages.

Home to magical entities like High Elves and Elemental Guardians.

5. Luminara Haven

A realm celebrating life and creation.

Features:

Vibrant cities built on massive tree branches stretching across the sky.

Bioluminescent flora that glows with soft light, creating a serene ambiance.

The Gardens of Life, where new species are born.

6. Shadow Abyssum

A realm for the cultivation and growth of shadow beings.

Features:

Endless shadowy plains where darkness thrives.

The Pillars of Dominion, which empower Shadow Lords and Shadowkin.

A training ground for Sung Jin-Woo’s shadow forces.

New Creations by Sung Jin-Woo

1. Primordial Beings

Newly created entities designed to maintain balance across realms.

Examples:

Guardians of the Realms: Immortal beings that protect Sung Jin-Woo’s creations.

Aether Serpents: Massive serpentine beings that stabilize the flow of mana.

2. Divine Trees

Each tree serves as the heart of a realm, granting life and energy.

Unique creations:

The World Tree of Nexus: Produces the fruits of life and divine energy.

The Tree of Shadows: Strengthens shadow beings and provides materials for creation.

3. Living Cities

Sentient cities that can adapt to their inhabitants' needs.

Features:

Cities grow, expand, and repair themselves.

They communicate with their residents and provide guidance.

4. Celestial Beasts

Mighty creatures designed to roam and protect realms.

Examples:

Solar Phoenixes: Creatures of fire and light, rejuvenating life wherever they fly.

Lunar Drakes: Beasts that calm chaos and bring tranquility.

5. Divine Constructs

Massive structures of divine purpose.

Examples:

The Stairways of Eternity: Pathways connecting all realms under Sung Jin-Woo’s dominion.

The Nexus Tower: A hub for communication and travel between realms.

6. Lifeforms of Harmony

New species created to populate and enrich the realms.

Examples:

Aetherians: Ethereal beings of light and energy, dedicated to preserving peace.

Shadow Elves: A unique blend of elves and shadow energy, gifted in combat and diplomacy.

Draconis Children: Hybrid beings of dragons and humans, embodying wisdom and power.

A Vision of Endless Creation

With every new realm and creation, Sung Jin-Woo's influence spread across the multiverse, bringing hope, beauty, and balance. His followers and priests marveled at his divine works, inspired to serve him with even greater devotion. As The God of Creation and Abundance, Sung Jin-Woo ensured that no corner of existence was devoid of purpose or life, solidifying his legacy as The Absolute One.

And so, creation continued—boundless, infinite, and eternal.
